- Please bring table tennis bats and balls with you.
- Be prepared to umpire. We should have some Sports Leaders to help out in this respect but if not then teachers will have to adjudicate.
- Teams consist of 4 Year 5/6 children (no gender restriction) – **no substitutes**.
- Please arrange your team in order of ability, with the best player given the first seed designation and so on.
- In the Group matches, all the first seeds will play each other on a round robin basis, the second, third and fourth seeds will do the same.
- All matches start and end on a central whistle and last 4 minutes, with 1 minute turn round. Serve changes after every 5 points.
- All matches carry equal weight. 1 point is awarded for win and half a point for a tie.
- The 2 teams with the most points at the end of the Group stage will contest the Final. In the event of a tie (at both the end of the Group stage and the Final) then total team points won will be the decider.
