

## Thanet Primary PE Staff – 16<sup>th</sup> March 2020

---

Stephanie Selsby, SGO and Lisa Sparkes, PE Coordinator at Garlinge have arranged a twilight session to enable PE staff to get together and discuss the various documents required in the job role. Do you know what is required? Do you have an example to follow? Does your school already have these?

Following on from information shared at the Kent and Medway PE and Sport Conference, it has become more important than ever that PE is embedded within your school. We are lucky to have such an amazing group of staff delivering PE in Thanet who support each other to provide the best sporting experiences for all children, not just those at their school.

We hope you will join us on the 16<sup>th</sup> March to share good practice and support each other on being the best that we can be. Please bring the following documents with you:

1. Your Schools PE Policy (if you have one)
2. A curriculum map for PE. If you don't have one, please bring a template of another subject in your school
3. A Scheme of work. You may have your own bespoke SOW for PE at your school, that is great. Otherwise, please bring along a purchased SOW that you use or alternatively a SOW for a different subject bespoke to your school
