## #LetGirlsPlay Biggest EVER Football Session

It is time to take a stand, to make a difference for girls to play football – one simple message #LetGirlsPlay.

On Friday 8<sup>th</sup> March 2024, England Football and Barclays want to put on the biggest EVER football session for girls in school. Our event has been designed to encourage girls to play, to have fun with their friends and to feel confident in their own ability. We also would like them to acknowledge that we are committed to growing girl's football and equal opportunities for Girls in Thanet

We are thrilled to have the support of Ramsgate FC who are enabling us to host this event at their facility and home ground; this will create the exciting atmosphere the sport really deserves.

### General Health and Safety Information

#### Risk Assessment

This will be completed by the competition lead on the day of the competition, and they will hold a copy of this.

#### Fire / Emergency

In the case of emergency / evacuation please make your way to the agreed assembly point. Please take your register and let the competition lead know that everyone is present.

#### Photographs

Sadly we do have to be very careful now of who takes photos, so please if anyone accompanying your team want to take photos they must complete a photo consent form (available on the day) and hand it in at the start of the competition, otherwise photographs will not be permitted.

#### First Aid/Safeguarding

This is the responsibility of each school and therefore team manager.

Please ensure that the team manager accompanying the team are fully aware of any medical conditions, and if appropriate please make the competition lead aware too.

Each team manager should have with them a charged mobile phone, and emergency contact numbers, as well as a first aid kit for use should they need it.

#### Health and Safety

Please ensure that ALL children come dressed appropriately for the competition. Any long hair should be tied back and jewellery removed or covered up. We ask that children do not eat in the playing area, and if they want to drink that it is water only, no fizzy drinks.

Each team will need to register at the registration desk as soon as they arrive on site, identifying the number of girls and boys, and adults accompanying the team. We will use this list to cross-reference in the event of an emergency, but please also ensure you have your own registers.
